Hey Sis,
You and the family are in our thoughts. Will was there to help when he was needed. He's not hurting anymore. I think I will always remember the way you two helped me make the reindeer that christmas. We had a lot of fun. And the frozen pepsi's he always had ready when I got to your house. I will miss him. love to all your family.

Ruth and family, I was shocked to hear about Will, for many years while living in Ephrata we could always depend on him if we needed some little thing done, he was so good to my kids, they all thought highly of him. You are in my thoughts and prayers.

Aunt Ruth and kids, I am so very sorry for your loss.I will always remember how you and Will kept me feed and taken care of back when I first was on my own. There were many times I would have gone hungry if it hadn't been for Will and his wonderful cooking. Will is also the one who taught me to bowl and those were fun times too. Again I am very sorry and you are in my prayers and thoughts. Love to you all, Kathi##imported-begin##Kathi Rose##imported-end##
