Stella was born on Aug 08, 1940 in Blythe, California. She is the 8th child to Dave P. and Geneva (Stansbery) Campbell. Stella was born with Cerebral palsy and was in a wheel chair for all of her life. In the 1950's the family moved to Moses Lake looking for work and better education and health care for Stella. Stella was among the first students to ride the Moses Lakes districts new wheel chair capable bus. Stella liked to swim or go for strolls outside. She loved to laugh and tease. She always did her very best to keep up with her 10 siblings. With the loss of her mother in April of 1960 and her increasing medical needs, Stella went to live in several area nursing facilities and eventually found her way to the Wenatchee area where she met her soul mate William Orval Phillips. The happy couple enjoyed attending King's Orchard Church of Christ and was married on November 14, 1992. Although Stella and W.O. never had any children they lavished their love on friends, family and their household pets. One of the highlights in their married life was a trip to Disneyland in 2005.
