

Alfredo Lopez Gonzalez

September 17, 1936 - July 2, 2021

It's with great sadness that we announce Alfredo "Fred" L. Gonzalez took his last breath and went to heaven on July 2, 2021.

Fred was born September 17, 1936 in Eagle Pass, Texas to Alfredo and Agueda Gonzalez and had 14 brothers and sisters. On December 06, 1954, he married his wife, Aurora Z. Gonzales in Fresno, California before coming to Washington and starting a family. Together, they built a life with their children: Fred III, Angie & Gary Walker, Agapito "Pete", Anna Gonzales, Elsa, and many grandchildren, great grandchildren, and great great grandchildren.

Fred was very well known for his food at The Taco Shop. He was owner and loved his work for over 40 years where he enjoyed seeing and talking to everyone who came in to eat before turning The Taco Shop over to Pete, his right-hand man. He loved going for Sunday drives and spending time relaxing whenever he had the chance. He retired in 2017. Fred was preceded in death by his parents, several brothers and sisters, and a daughter, Teressa (stillborn).

He is survived by his loving wife of 64 years, Aurora, as well as five children: Freddy, Angie, Pete, Anna, and Elsa.

Comments

“ Fred was such a wonderful man with a warm and loving soul. It was a blessing to have known him and knowing we both were from Texas was even more special. Well you can show off your cooking skills in Heaven’s kitchen querido amigo. I’m sure everyone will love your tacos and menudo!

Prayers for the happy repose of your soul my friend. Rest In Peace in Gods Heavenly kingdom. Amén

“ I remember Fred telling me to put my towel on the ground in front of the taco shop when I was there buying candy while at the swimming pool, Fred I will miss seeing your smiling face, Moses Lake has lost a great man

Willi Witthuhn - July 09, 2021 at 11:31 AM

“ My tio Freddie was a very kind and giving man. He was always willing to do anything for his mother and father or his brothers and sisters. Freddie would even do anything for his primos. Now I am only 57, but what I knew of Feto was that he was the kind of man that would do anything for any one if he was able. In his later years Freddie looked so much like his father, Apa. We last visited him and some of his family 5 years ago. Seeing him and my mother, his big sister looked like grandpa and grandma came back to life. FETO, will be missed by all his family. Too bad we could not make it to pay our respects. Love you uncle FRED, we love you God bless you and your family
