“ We are truly sorry for your loss. For the many years I worked with Clark, the commitment he showed toward his family and church was evident on the job (not just on Sunday's). He was never ashamed to talk about his faith and was generous in helping someone in need.

“ I am deeply saddened to hear of Clarks passing! I didn't even know he was ill. I am so sorry and wish his family, Elouise and my, deepest condolences and prayers. Clark has been one of the best examples of a man and priesthood holder I've ever known. He was truly a friend and would give the shirt off his back to help anyone! He was always watching out for me when he would hear I was unemployed. We served together, we worked together and always had fun when we could get together. This world will be better for Clark having been here and accomplish that, that the good Lord had sent him here to do! He will be sorely missed!

“ Oh, dear Sonia,. I am so saddened by this news and so sorry for you. I know you were so brave as you said good-bye to your step father then your beautiful mother, even singing at their funerals. I just only know from my own experience how hard this is to let go of Clark. It hardly seems fair! I also know from experience that he will be there to bless you, watch over you and comfort you. In his new mission you are working on separate sides of the veil, but you are still a couple and your goals are still with your family and loved ones. Well, my heart bleeds for you to have to go through this. Wish I could make it easier for you. Richard has been gone 4 years and I still think of him constantly. I write a note to him each morning in my journal and it helps me feel close. I love you and pray for you and Julie to be blessed. I am so happy for her temple marriage before he left. You are an awesome either, mother and grandmother. God bless you to go forward in faith.
