“ Doris was one of the nicest people that I have had the privilege to know. As a young boy I remember lunches at the hospital with Doris and my family. Later in life I was privileged to rent her small house from her for a number of years. She always treated those around her with love and respect, qualities that are sometimes hard to find in the world we live in today. Doris will be missed but a part of her will always live on in my heart and in my memories.

“ I met Doris in 1977 when I went to work at Samaritan hospital in the kitchen. She was a good mentor for me in helping me learn the routine, We soon became good friends. On our days off we would eat lunch at Kiojis. We always enjoyed each other's company. She will be greatly missed by all who knew her..

“ We moved next door to Doris a few years ago and she was quick to welcome us to the neighborhood. I would be working out in the yard and she would come out on her porch and wave me over for a little visit. Her stories about moving to Moses Lake were so interesting; it was a joy to listen. I'm sure that I will look over toward her porch many times this summer and miss our visits. She was a very sweet lady.

“ I first met Doris through my Dear Auntie Jo. Then I had the honor of reconnecting with Doris later in her life. I am so thankful for the time I spent with her. I truly admired her outlook on life and the stories she shared with me about hers. She was a woman of true diligence, caring and she truly loved her family. Thank you to her family for sharing your Mom with me. I am sorry for your loss. DeeAnna Goff

“ I am so sorry for your loss. I have many fond memories of talking with Doris during lunchtimes at Samaritan through the years, sometimes with my mom (Jean Presley) and her, and sometimes just by myself. She was a very dear lady and will be greatly missed.
