“ RIP Elvin. He was the first one to teach me to waterski. He took me on their family boat along with my best friend Leanne Graves. He showed me how to hold on to the rope and when to let go of the rope. Patient Elvin tried and tried to pull me up out of the water on those skis a number of times. After each time asking me if I was alright and if I wanted to try waterskiing again. I tried until my lips turned blue from being cold. Elvin was so patient with me that day. He was a good man. I'll never forget Elvin. I hope his family and friends are ok during this sad time. Rest In Peace Elvin, Love, Holly (Lingg) Holt
