“ I am the mother of John Stadelman who was a special friend to Eric in High School. They both were active in FFA and they spent many hours sharing thier lives together. I remember the times that Eric was at our house and the two of them would sit on the bunk beds in our basement and laugh and share stories. John and I were very fortunate to have seen and visited with Eric last summer at the 4th of July celebration in George. Eric's wonderful smile was still there and his sunny personality shone through. My thoughts and prayers are with all of you and may your wonderful memories sustain you!
Fondly, Glenys Stadelman

“ My heart is so broken. Such a smiley little boy, and such a handsome young man, grew into such a wonderful man. I'd give anything to see your smile and hear your laugh again. You have left a huge hole in our lives, that we can never fill. We will love and keep Kaydence close, and teach her the love and joy you showed each of us. I love and miss you Eric Roy. Forever in my heart, Your Auntie.
