

Eva Lilian Wright

October 24, 1926 - April 25, 2018

Eva Lilian Wright a resident of Moses Lake was welcomed into heaven on April 25, 2018. She was residing at Columbia Crest Care Center, good friends at her side.

Eva was born in London, England on October 24, 1926 daughter of Edward and Lilian (Tyzach) Wright. She was saved when she was about 8 years old and knew very early that she wanted to be a missionary.

She became a registered operating room nurse in London. She traveled extensively in Europe with a choral group and made many dear friends. In the mid 1950's Eva left England and came to Central Bible College in Springfield, Missouri where she obtained a degree in theology. While she studied she worked as a relief nurse at CBC and Evangel College.

Eva served as a Missionary in Alaska for nearly 20 years in the Village of Angoon and also at Kake where she Pioneered Assembly of God Churches. She also spent time in Skagway and Juneau. She returned to visit Angoon several times after leaving Alaska.

Eva was quite an accomplished lady obtaining two Masters Degrees. The first in 1959 in Bible Theology in Springfield, Missouri and the second a few years later in The Arts at Eastern Washington University. She spoke 7 languages and wrote shorthand, was a Master Gardener, played piano and accordion, and taught piano and voice lessons to many in the Moses Lake area. Her pet hobby was raising cairn terriers, several of her dogs were show quality dogs. In later years Eva also worked with young people in the Grant county jail helping them earn their GED.

Eva will be greatly missed by all whose lives she touched. She is survived by her sister Jean Castle from Perth Australia, her many nieces nephews, and many, many dear friends. She will be missed but we know she is with Jesus and we are happy for her. Well done, good and faithful servant!

A celebration of Eva's life will be held at 2pm. On Wednesday May 9, 2018 at the Assembly of God at 431 East Brown Ave., Moses Lake, WA 98837.

In lieu of flowers any donation may be made to:

“

We will see you soon in glory, dear Auntie Eva xox
How proud our Creator-God and we are of your faithful service.
You have handed the " batton"- (of the-gospel) on so courageously, may we learn from you.
Love Eva (new Castle)

Year 1968 Petersburg Alaska. We are the new fresh out of Kansas pastors of the Assemblies of God church. Received word the building supplies for the new church building in Kake Alaska on a nearby island had arrived, and the shipping was charged to me. Eva Wright was the missionary church planter and all shipping costs were covered. In the next few weeks the original Kake church building was constructed by volunteers from the churches from Ketchikan to Petersburg. Eva was multilingual and strong in the Lord.

I Thank GOD for Eva. I'm the current pastor in Angoon and I know the strong foundation of faith that she laid for this community. They were blessed and Angoon is continually being blessed by her service to the LORD. We know the words she heard as she entered heaven's gate. "Well done good and faithful servant."
They are rejoicing at her homecoming!!

To a loved Auntie who lived so far from her Aussie niece.
A dedicated Christian who walked her talk.
I have fond memories of listening to you tell of your wonderful life experiences of years gone by.
A full life of many adventures in England, Alaska and America.
A lady who loved her dogs with a passion, winning many awards.
Her visits to Australia to see her sister Jean (my mother) and our family are great memories... Sunday school lessons in the lounge out on the Bridgetown farm.

Tinned seaweed from Alaska... New experience I must say for back then.

My two visits to Auntie in Moses Lake were nothing short of a wonderful blessing,

lots of laughs and stories of her past.
Rest in peace now lovely lady

“ Dear Eva,
You do not know me, my name is Scott Phillips
and I have the privilege of Directing the Master's
Commission in Wasilla.
I understand you played a significant role (helping build on the
Church) in the community of Kake a number of years ago. I want you to
know that the work of the Lord is continuing there to this day.

Lives are being impacted by the Gospel and for that, I honor you
and call attention to the fruit of the Lord in your life that still
remains to this day! I have had the privilege of Ministering
with our team in Kake on two different occasions, which has
impacted my life! So Thank you very much.
Blessings, Scott Phillips

“ Goodbye to an aunty whose work for God took her away from family and we only
knew her through stories and the rare visits she made. We are in awe of her tireless
work amongst the indigenous peoples of America and hope the sacrifice she made in
dedication to the task will be appreciated and recognized by America. Goodbye
Aunty Eva we will remember you from the stories told about you. Love and God bless

“ Loved and respected aunt of Lorna. Your life and career was an inspiration to me as I followed in your footsteps and too became an OR nurse for many years. So many people whose lives you have crossed and blessed, forever faithful. Now enjoy your rest. Much love aunty, Lorna. X

“ Much loved sister of Jean, sister-in-law of George (dec). Many fond memories including your holidays to Australia. Very proud of all you achieved. Your faithfulness and love of our Lord shown to us by our dear mother, Lillian and you shared with so many.
'Well done, thou good and faithful servant: thou hast been faithful over a few things, I will make thee ruler over many things: enter thou into the joy of thy Lord. Matt 25:21
Much love Eva, see you in Glory, Jean.

“ Eva was a friend with whom I could share anything and know it would go nowhere else. She kept confidences to herself and I knew prayer would follow me and cover me. A wonderful trait for a daughter of Jesus.
Her wit and intelligence was awesome. In emergency rooms I would often have to explain to nurses or doctors she was speaking Tlingit, a Native American language she learned during her years as a Missionary in Alaska. She loved to outwit the nursing staff and endeared herself to them.
One of my last visits with Eva was spent discussing the new discoveries of our universe and beyond. How we are continuing to learn how intricately God created so much beauty and awe and immensity just to set mankind in a marvelous world. How He loves us!! We, of course, ended up singing, 'How Great is Our God!!!'
Eva I love you, I miss you, and it was an honor to be your friend.
