“ To the family of Georgia.....it has been many years since Georgia and I first met. right from the beginning she was a joy. Her son Geoff and my son Craig were the best of friends for several years so I was able to establish him as an 'adopted' son. Georgia was always kind and caring and very sweet. Also she was beautiful and fun. A great mother who loved her children dearly. Life was not 'easy' for her, but she always managed to keep going forward. I will miss her kind ways. Just knowing she is in a better place gives me comfort...she deserves it. May we always remember her with gratefulness for her example of strength, courage, and her testimony of Jesus Christ and his 'light' and his words. The Hirz family will miss Georgia and all the cherished days we shared. With much love to the 'Georgia' family.....Love, Deanna "Dee" and Ned Hirz
