“ Hello Joe, I was scanning the internet looking for Ed and Gladys's telephone number to let them know Abie passed away a couple months ago, when I was startled to find Gladys's obituary. So sorry about her passing. I know you and the family will miss her. Nice to see Ed still here at 95 years young. Tell Ed I love him. Dooley. Email agugar@rocketmail.com

“ I am so very sorry of the passing Gladys; she was such a very kind and thoughtful person. I met her after I moved to Bridgeport, Washington for my Senior year of high school in 1960. I just realized, she passed away on my birthday. Please know that she will forever be in your thoughts, your memories, and your heart always and forever.

“ Aunt Gladys loved to joke and loved to tease us nieces and nephews. She always sent me a birthday card and kept in touch with me as life changed throughout the years. She called and comforted me this last summer when Matt passed to Heaven, and reminded me of how he was for eternity with the Lord and those he loved. And now, she is joining him in that grand Norwood reunion. She was the best sister my mom could have had and she already misses your phone visits. Mom told me they had been having the best conversations lately about Heaven and how she sounded so happy. Love her forever and look forward to the day we are reunited. Love all of your family. “ I remember Gladys as always warm, smiling and caring. The Worsham family was part of my childhood memories of families who worked as powerhouse operators at Chief Joseph Dam with my Dad. The friendship continued for close to 60 years. My sympathy to Ed, Joe and Gloria and their families.
