Jan was born on May 2, 1956 to her parents Ed and Dorothy Campbell, who preceded her in death, along with her eldest brother Jim. Janet moved to Edmonds WA, in 1958, where she would attend school. In 1974 she was married to the love of her life, Gary Mann and then moved to Alaska. Finally, in 1978 they moved and settled down in Moses Lake.

Janet loved working with children. She started as a preschool teacher for the City of Moses Lake and continued this for ten years. Afterwards she worked for the Moses Lake School District. This is where she touched the lives of many students and created lifelong friendships.

Jan loved to travel and spend time with her family and friends, especially doting on her grandchildren. She enjoyed anything that brought her and those around her a good laugh, including pulling pranks anywhere appropriate and playing games.

She is survived by her husband Gary Mann; daughter Jennifer Smith, husband Larry Smith and grandchildren Madison, Chase, Cole and Carson; son Justin Mann, partner Kendra Moos and grandchildren Gavin, Dreyden, Devin, Dylan and Brayden; brother John Campbell and wife Claudette; brother Jeff Campbell and partner Paula Howell; in-laws Ben (Wanda) Mann; brothers-in-law Ron (Dorinda) Mann and Jeff (Carol) Mann; sisters-in-law Rhonda (Kevin) Teaford and Sandy (Steve) Westemeyer; and many nieces, nephews, and friends considered family.

“ Our thoughts and prayers go out to Janet's family and friends. She was such a wonderful person and touched so many lives in a positive way. I was blessed to grow up with her on our block which we called the "202nd street gang". Janet, Debra, Vickie and Louise (in their eyes) were the gang leaders. In OUR eyes they should of all been locked up, ha! ha!
In heaven there was a shortage of Angels so she was asked to make her flight. Physically she is not here but will always remain in our hearts and will never be forgotten. God bless Janet and her family. Our love goes out to you.

“ Even though I have not been a close neighbor or acquaintance, I wanted to express my thinking to family and friends. If you've been through losing a part of you, words can't express the hurt.
My daughter, Joelle had told me that Jan had passed and that next early Monday morning it was snowing. When I went to my car I looked up at the snow glistening as it fell through the street light and a picture of Jan came clearly to mind. She had a sparkle in her eyes and smile that even someone distant from her could feel and see. I hope you all can see feel and see her sparkle continue on in your world - in the stars, in the reflections on the water, in the Christmas lights, in anything or anyone she loved, and yes, even in those "darn" snowflakes.
On behalf of the Veden family and the Joelle DeHerrera family, please accept our sympathies, Roxann and Larry Veden, Chris Weddle, Joelle DeHerrera and

“ This makes my heart so heavy. I've known Jan since I can remember, but really got to know her on our houseboat trips. She always looked polished and put together, even while sipping a cocktail and floating in the water! So blessed to have her as a YaYa. Who's going to instigate all the shenanigans now?

“ So saddened to hear of Janet's passing, she touched the hearts of all those she came in contact with. My husband Paul Dice grew up on the same block with her and Jeff Campbell, and John Campbell and Jim. The block was filled with childhood memories, Pat Walters lived up the block, the Compean's, lived there, Jerry, Debbie, Jonny, Tony, amongst others. They remained friends over the years, even though we were not in their lives every day, they stayed connected. Janet will forever remain in our hearts, for she left a mark that cannot be erased. Prayers go out to friends and family to find comfort in knowing that we had her in our presents for a while.
