“ Oh that smile! I think Justin was born smiling that big smile. He gave it away freely to anyone he came across, whether he knew them or not.

“ I remember I was new to the family as I married his cousin. Whenever we came for family events he always had an infectious smile and always came in and gave everyone a hug. He always made everyone feel so welcome. The love he had for his family was incredible, he always loved playing games with all the kids. He will always be remembered.

“ Justin loved his girls and loved spending time with them. I will always cherish the memories of our adventure to Disneyland as a family.

“ One of my favorite memories was when I babysat Justin and his siblings many years ago. Shane and Tina went to Leavenworth for 2 nights. Justin had Surfin' USA on repeat the entire time! I swear I heard that song in my sleep for days! I was very lucky to get closer with him and his sweet family in the last few years. Justin adored his wife and daughters and they adored him. It was obvious to all. When Violet stayed over for sleepovers he always FaceTimed at bed time to say goodnight and I love you. I will treasure the precious memories I have of just hanging out and laughing together. I look forward to sharing memories about their dad with Violet and Norah.

We love you, Justin, Sarah, Violet and Norah

Love, Jonathan, Kendra, Reese, Sydney and Jesse
