

Kenneth Carl Jensen

February 24, 1936 - December 10, 2021

Kenneth Carl Jensen born February 24, 1936, passed away on December 10, 2021. He was born in Firth, ID. He is survived by his three children and their spouses, Kim Jensen, Andy Jensen and Danielle, Glenda Ripley and Nelson, eight grandchildren including two sets of twins and twelve great grandchildren. He is preceded in death by his wife Barbara Jensen, five sisters and three brothers.

Ken began working and starting a family in Adrian Oregon. He started out as a hired man with a farm and dairy combination. After his third child was born, he moved everyone to Warden, Washington. Here he farmed with his uncle and cousin in law. Later he rented a farm and ran it for a few years where upon he purchased a farm and struck out on his own. After college his son joined him on the farm. They started an onion processing plant in Warden in 1974. It has been a family owned and operated business ever since. Ken was also the president of Grant County Farm Bureau for many years and the local Jaycees chapter.

Ken loved to garden since his first job until his death. There was always plenty for family and friends. He began collecting in his later years. He treasured every collection. In his life Ken collected many colleagues, friends, and acquaintances. Everyone was part of his personal collection and loved.

Ken and his wife, Barbara, traveled a great deal, and he was very proud that he had visited all the states in the United States. They also had a chance to visit Europe and Scandinavia where his parents were born. He loved meeting the cousins he never knew and learning more about Denmark along the way.

Ken will be missed. We will meet again, love you Dad.

“ Karen and I will always be grateful for the time that the Jensen family let us be a part of their family. Ken and Barb were always great to chat with and Ken was a blast to go to the local auctions with. We always enjoyed fresh produce from the garden or produce from Kens many trips to local farms where he purchased anything he thought friends, family and staff might want.
The "tough guy" image he portrayed wasn't too difficult to break down.
We are so sorry for the Jensen family loss

“ Kim and family, your Dad was a great guy, and a joy as a customer. He presented such a tough front, but was really a gentle giant.
