“ Yesterday I was at District Assembly in Puyallup and saw on Facebook that Liberty had died. I was so overwhelmed with sadness. I only attended the Othello Naz church 1983-1985, but my heart remains there and Liberty and I stayed in touch for many years after we moved. We had so much fun with me playing piano and her on the organ. She is a treasure and I know God said to her "Well done, good and faithful servant".

“ We met Liberty late in her life, and had the privilege of joining her and her family for a day this past Christmas. She was patient and kind, and exuded the presence of God much the same way as a lily reflects the light of the sun. Her eyes twinkled and danced in her head, and she seemed to relish every little moment as a gift from heaven. She was deeply loved and doted upon by us all, and we are all truly diminished by her passing, yet all the richer in our hearts to have met and known her. She exemplified how to dwell in the presence of God. What a rare and glorious lady she was!

“ The Teske family have lots of fond memories of good times we have had. Teaching my sisters how to play the piano and sharing good times with my Grandma Nettie. Liberty was an an awesome christian lady who was loved by all.

"Liberty is just away and her memories will always be here, to be with you and, in time, to bring you cheer. Liberty is not really lost, she has only gone away, she will be there in the morning of a brighter, fairer day. May the thought of that bring courage, for someday you'll be united in the shelter of God's care."

"For Liberty's journey home, there's a path that leads to a turn in the road, and we each must travel there, Where the Father waits to take us home to the shelter of His care...where happiness and peace & joy replace the emptiness. Liberty now rest in the arms of God to sweetly live again."

"There is special comfort in knowing that the words "WELCOME HOME" as the beautiful memories of Liberty, remain here in our hearts. Listen for angels hovering near, whispering words you are longing to hear, LOVE is not over...LIFE is not gone...now and forever, the spirit of Liberty lives on in our minds. The angels must be smiling because Liberty is among them now."
