“ Our deepest condolences Harley to you and all your family. I enjoyed caring for Nancy on the few times I was able to assist. She was always trying her best to make sure I was taken care of instead of the other way around:) which shows she had a kind and caring soul. I will miss her and think of her often. God Bless you for your love and commitment to her. Take care.

“ Glenda, and all the Allison & Brotherton families: We are so sorry for your loss and are praying for your families, and for the repose of Nancy's soul. She was, indeed, a very courageous lady. I still remember Nancy as a very sweet teenager, when Bill, Glenda, Mike & I were all students at the south campus of Big Bend Junior College (1963-64).
