“ God saw you were getting tired,
And a cure was not to be,
So he put his arms around you,
And whispered "Come with me",
With tearful eyes we watched you suffer,
And saw you fade away,
Although we love you dearly,
We could not make you stay,
A golden heart stopped beating,
Gentle working hands to rest,
God broke our hearts to prove to us,
He only takes the best,
Although your heart stopped beating,
Your love will always remain,
Your absence puts upon our hearts,
A very heavy strain,
For now you are in a place of everlasting rest,
We just have to understand that God,
He only takes the best.
