

Raymond Christopher Medrano Figueroa

October 12, 1987 - September 10, 2021

On Friday September 10th, 2021 Raymond Christopher Medrano Figueroa reunited with his mom, Jenny, in what we envision a beautiful celebration in heaven.

Raymond passed unexpectedly in his sleep after testing positive and battling the COVID virus for almost a week.

He was born in Othello, WA on October 12, 1987. He grew up in a lot of different places eventually settling down in Moses Lake, WA. Those that knew him will always remember Raymond talking about all his childhood and teen adventures.

Raymond enjoyed fishing, hunting, and shooting. When he wasn't doing any of these things, working, or hanging out with friends and family he was at home playing video games.

Raymond was an amazing and extremely hard worker. Anyone who knew him either as a supervisor, lead, or coworker knew this about him. He worked for SGL Carbon since 2014 and leaves behind his SGL family who will miss him greatly.

In December 2015 Raymond met Monica and that was the beginning to their great love story. They married in October 2018 surrounded by their immediate family. They welcomed their son Zayden in July 2019 and their daughter Mia in January 2021. Raymond was such a great husband, a wonderful father and was so proud of the family he created. Whenever he talked about them he always had a huge smile on his face.

Raymond will be missed by all his family and friends. He leaves behind his brother Patrick who he was very close to. As well as his niece Nyomie and nephew Zarek who he loved very much and watched grow into the amazing adults they are now.

Memorial service for Raymond will be announced by the family at a later date. There will not be a public viewing.

Comments

“ Raymond had the most infectious smile and had a way of looking for the best in any situation. The many conversations we shared of life, family, love, fast cars (his fancy camero), and childhood memories will always stay close to our heart. Thank you Raymond (and Monica) for blessing Patrick and I with the most beautiful neice and nephew, your love, life, and strength lives within them. We love you and know your keeping watch.
