“ I will always remember Bob helping me train my first Brittany and the great times bird hunting. Kind of miss the old days. I am sure God had other plans for him to take him from this world to his.
Prayers to Penny and all the family. We love all of you.

“ I was so sorry to see that Bob had passed away. I always looked forwards to working the Food Booth at the Clark County fair with him and loved talking politics with him. Thoughts and prayers go out to Penny and his son.

“ Uncle Bob will be missed dearly. He was one the biggest supporters of WSU. I know that he will be doing the same thing from upstairs. I know that our lives will not be the same with out him in them. Love you Aunt Penny cousin Bobby. If there is anything you need please let me know

“ Uncle Bob was always good for a conversation. He never left you without at least a smile. I remember him going every morning to Papas house to have coffee and watch the news with him. He loved sports and was a great umpire. I will miss him bunches but will hold my memories close and treasure them always. Love you Aunt Penny, Bobby, Tracy, Benny and all the kids. I am sorry that you have to go through this loss. I will keep you all in my thoughts.

“ At Bob's request there will be no public service. To honor Bob's wishes a private family ceremony will be held so he may rest in peace on the "East Side... in God's Country." Penny and Bobby

“ If there is such a thing as a "dyed in the wool" Democrat, that would be Bob. And to say he was 'passionate' about his politics would truly be the understatement of the decade. I enjoyed talking politics with him, even if his perspective could be a bit partisan. He truly loved to defend the party line. I'm so sorry Bob doesn't get to vote in the upcoming election. No matter the outcome, I know we would have had interesting 'discussions' about it. Rest in peace.
