

Santos Martinez Pruneda Jr

January 1, 1960 - February 21, 2022

Santos Martinez Pruneda Jr. 62 of Warden Washington gained his wings February 21, 2022.

Born to Santos and Esperanza Pruneda on January 1, 1960 in Monterrey, Nuevo Leon Mexico, he came to the United States at the age of eight weeks with his migrant parents and lived in Warden his entire life. As a child he spent a lot of time on Bob and Ardis Whitaker's land and was treated like family. He dropped out of high school his sophomore year and went to work at Chef Reddy. When Mt. St. Helens erupted in 1980, Santos joined the Warden Volunteer Fire Department, Grant County 4, where he remained until his retirement in 2019. He worked for various farmers including the Cox family who treated him like he was one of their own. In 2005 he got his CDL and truck driving became his life. He was known for his realist cow sounds and bib overalls and loved by many. He was always happy with big smiles at gatherings and he loved to play with the kids as he was such a big kid himself.

He is survived by his wife of 21 years Kim, ex-wife Pattie, seven children Synthia, Amber, Santos Jr. III, Alice, Kimberly, David, Geronimo, eight grandchildren Cameron, Patricia, Helen, Arabella, Nikolas, Roxanne, Jayce, Emmett, brother Tomas, sister Idolina, sister-in-law Tonya, nephews Alex, Joseph, Tomas Jr., Ian, Shane, George, nieces Camila, Graciela, Aneissa, Idolina, Ruth, and close friend Stacey.

He was preceded in death by his parents, sister Graciela, and granddaughter Desiree.

“ Santos was one of my Warden art students when he was in the sixth grade. I always knew when he was in class as he had an infectious laugh. He was a busy little kid but always had a big smile and was happy. Through the years, I would come to Warden Days and we would hug and talk about the "old times". He was a kind man and contributed to Warden by his work with the fire department as well as community gatherings. I am glad to have known him and he will be missed by many people, including me.
