Susie Elisabeth Koehn, went to be with the Lord on Saturday, June 16, 2018, at the age of 96 at Samaritan Hospital, Moses Lake, Washington.

Susie was born, March 8, 1922 at Taloga, Oklahoma. As a young lady her family moved to Blaine, Washington. Her family cleared land there and a road up there still bears their last name. She met and married her husband, Elmer Koehn on June 18, 1946. Their nine children were born there. They resided there until 1968 when they bought a farm in the Royal Slope area of Royal City, Washington. She remained the next 39 years there where they farmed until Elmer passed away in January of 2008. She spent the next 10 years living with her daughter Rebecca in Moses Lake, Washington.

Susie loved children, was an avid gardener, enjoyed her many varieties of flowers, made the best bread and sewed clothes for her family. She always had something to talk about, whether it was to do with the Bible, politics or growing up in Oklahoma. She also was quite the artist! Family have many of her drawings and paintings displayed in their homes. We will dearly miss her!

“ I miss sticking my hands into a bowl of Grandmas sweet rolls, watching her draw, asking her how she drew the knots on her trees so realistically, sitting In the back bed of the truck while grandpa and grandma driving in the front cab as we talked through the back center window. I remember being able to spend a night at at her house and and it being very special. Grandma would turn on Bob Ross and we'd watch an episode or two. Grandma would call me at home reminding me when the show would play so I could tune in. I can keep going. Couldn't ask for a more loving Grandma. She always remembered our birthdays and came over which made them special for us. I can't wait to see her again. One day.... on the streets of gold.

“ So sorry that we will not be able to attend on Friday. I know that Mom and Susie are united once again and having some good chats. I have many memories of your mom when I was young.....your mom and my mom giving each other perms is just one of them.

You will all be in my thoughts and prayers on Friday.....It will be a great time to celebrate her long and fruitful life on this earth and her arrival in heaven!

God Bless you all,

“ Grandma,
I'll forever remember you watering your flower gardens. How you loved the bloom of a rose. Now you're enjoying the Lord's immaculate garden's in heaven. I had the blessing to live next to you and Grandpa and you were such a big part of my childhood. Thank you for all the memories and the lessons learned. All those memories that have flooded my mind the last couple days... I recall you talking with Grandma Amanda in German/Dutch and being intrigued with what you were saying. The days you made bread and sometimes we would be lucky enough to get those sweet rolls with cream sugar & cinnamon. The voice of you yelling for Grandpa to come for dinner, I believe it carried all the way to the barn. The perfect little doll dresses you sewed for our dolls all those fancy stiches. My little porcelain rabbits you set high on the shelf so they wouldn't break. Your paint brush in hand and the oil painting that would developed over the months finally finishing that picture of a wildcat, elk or long horn. When I was a bit older I remember standing in line with you in the store and a woman asked, are you a Christian? You replied yes, the woman then said I knew you were because I can see the joy in your face. That moment has always been with me. The last time I spoke to you was very precious to me and a beautiful close to our time here on earth. Love you Grandma
