“ *Jim, Jack and families. We are saddened to hear that Aunt Agnes did not recover from her broken hip. We now have to be joyful that she is in perfect health and reunited with all her loved ones. I'm thankful that I was able to have a meaningful conversation with her, via telephone, on her 94th birthday. It was just after her birthday dinner with Jim. She has been a blessing to me and to all who know her. My thoughts and prayers are with you all.##imported-begin##Pat (Snuggerud) Dewees##imported-end##*

“ Hello.....I am sorry I have to miss Agnes's service. She was a wonderful woman, who always wore a smile!! I knew her from the Post Office, and then again, when she became a resident at the Hearthstone Inn. She was fun, loving, and had a quick wit/ sense of humor!! She adored her family, and was so proud of you all. She will be missed by all of us, who had the priviledge of knowing her!!

“ Dear Jim and Shirley, Jack and Rose and family,

*Our deepest sympathy on the loss of your mom--Aunt Agnes was such an incredible woman. I was saddened to hear of her passing, but also thought of how happy Uncle Tub and Grandma Sarah, along with the other family members, would be to see her. She brought joy to all who knew her. I always remember her knitting and still have a well worn afghan that she made for me years ago. May all the wonderful memories of her bring peace and comfort at this time. Our prayers and thoughts are with you all. God's peace, Marilyn*###imported-begin###*Marilyn Christenson Gaipa*###imported-end##

“ Dear Jim, Jack and families. We share in your sorrow and want to let you know that our thoughts and prayers are with you. It would be the ideal situation to bring dad (Harlan Snuggerud), and be there to honor Agnes at her funeral. I have special memories of my conversations with her, especially about teaching, but also about her experiences growing up. Because it is not possible to come, we send our love and our sympathy. God bless you all!###imported-begin###*Judean (Snuggerud) Frank*###imported-end##

“ Dear Jack and Rose

*I noticed that Agnes has passed away. I send my condolences. I recall the friendship that our "Agneses" shared. That was a special group of wonderful mothers. It seems now so many years later that I have come to appreciate what a blessing it was to have had a mother like an Agnes. I hope that the saving knowledge of her faith in our Lord Jesus gives you peace and comfort. Know that she is in His presence!*
