“ Dear Kathy and the rest of Agnes's family, I'm sorry to hear of the loss of your mother and grandmother, Agnes. Kathy, I'm so glad you insisted we call and speak with your mother when we were at Naomi's party, as I'm sure it brightened her day as much as it did ours. May God comfort you all during this time of grief, knowing Agnes is now in a better place.##imported-begin##Linda Bendickson##imported-end##

“ I was one of the night shift nurse's aides that took care of Agnes. I would always watch and check up on her throughout the nights I worked. She was an amazing person. I am glad she as peace and no longer suffering. I hope everyone who loved Agnes will find peace and comfort.

Sincerely,
