“ Gene and Family,

We want to express our sadness in knowing that Alice is no longer in your midst. What good memories we have of her in our RVing group and also the good times we had playing pinochle with the two of you. Our times visiting in your home were special. She was a very nice lady. Thoughts and prayers are with all your family in your loss.

With love and concern, Herb and Bernace##imported-begin##Bernace and Herb Korthuis##imported-end##
