“ Dear Loren and Family,
I am so sorry for your loss. Your Mother and Father were good neighbors of mine. I will truly miss them both. I did your Mothers hair for a few years and we shared great stories. She loved you and Warren very much. Great memories are our blessings! Take Care and God Bless, Connie Scott

“ Dear Loren and Family,

So sad to read about your Mother. She was such a lovely lady. I got to enjoy your mom and dad for many, many years. She gave me your phone number, but of course, I can't find it. Just want to let you know, I shall never forget them. Hugs to you and your family.

“ To Loren and Family

I first met Allene and Ron over 30 years ago when I moved to Moses Lake. I quickly noticed her quiet warmth she had for me and others. Over the years I observed how she was the perfect partner for her husband Ron. When you were around them you knew they loved each other. My thoughts and prayers are with you during this time.

God Bless You

“ Dear Loren and Family,
I met your mother at Grace Lutheran and through a women's Bible Study we both attended with joy. She was such a dear, loving person of God and we all loved her and will miss her until we see her in Heaven. The obituary for her in the local paper is beautiful and I owe you an apology, Loren, for sending you sympathies addressed to Warren. Please extend my sympathy to Warren's family. May you all cling to GOD as she and your father did so you will all be together when your time comes. In Jesus Holy name I pray. Amen and Amen Jeannette Whaley

“ We got to know Allene when we were doing some short Lutheran communion services up at the Hearthstone a few years back. She got there whenever she could, and enjoyed the visiting with the pastor and others. She held tight to the hope she had in her baptism, and is now safe in the arms of our Savior. "Rest in God's peace and rise in glory!" Amen.
