“ Dear Mary,

I can't believe it's been such a long time, but I remember you so well from Anatomy and Physiology classes. You were such a fine, loving parent to Amanda and always so positive despite the adversity of the situation. I felt lucky to have met Amanda. I know this is such a sad time but I hope you will take comfort in the knowledge that you gave her the best life possible and all of your love.

*Sincerely,
Barbara Jacobs*

Mary, You probably don't remember me, but I was your father's cousin. I am sorry to hear about Amanda. Funny, I was just thinking about her the other day. She was such a sweet little person and what a will she had to live to be 30! She was an inspiration to everyone she met. Dorie Marsh
