Andrea Elena Jesse Gonzales

"SHORTY"

Andrea Elena Jesse Gonzales was born on January 28th, 2003. She was called to heaven on March 27th, 2022 at the age of 19. Her residence was Moses Lake WA where she was born and raised. Andrea's dad Jesse Gonzales gave her the nickname "Shorty" since she was born and has stuck with her ever since. Shorty was a big inspiration to all and is still continuing to make people smile with so many pictures and videos she's left behind. Shorty loved to draw, paint with her cousin Mari, watch their "favorite" TikToks they saved to watch with her sister Vanessa

And she loved to be with her nieces and nephews most of all. Shorty enjoyed jewelry especially necklaces and stone bracelets. Some of her favorite things to eat was Tia Lety Spaghetti, all the food her sister Elysia would make but most of all her ground beef tacos with a lot of Tillamook cheese. Andrea was the life of the party she would walk in and everyone would holler

"SHORTYYYY" She loved the attention she would get from the family and even her friends her outfits don't get me started on that she could put literally anything together and still look so beautiful, her shoe game wasn't all about Jordan's it was all about Vans. Andrea saved enough money to buy her own car she enjoyed listening to many underground rap artists such as \$uicideboy\$, Lil Peep, Pouya, Ramirez and also oldies! You'd see her driving around town with her curly hair flying in the wind with her sun roof down and music

blasting. Sunsets at Monte lake will forever be her favorite in her love Hate relationship with her honda. She was survived by her sisters Jessie Jezzaray Gonzales, Elysia Jesse Gonzales, Vanessa Victoria Jesse Gonzales and her mother Miriam Madrigales. Proceeded in death by her father Jesse "Bulldog" Gonzales. The Gonzales and Madrigales Families would like to say thank you to our family, friends and the community for everything you have done to keep shortys memories and spirit alive.

G59 to the grave, If you know then you know.
