

## Anita Vasquez

March 18, 1928 - November 28, 2020

Anita Vasquez, passed away November 28, 2020. She was born March 18, 1928.

Anita was a loving mother, sister, aunt, grandmother, great grandma, and great great grandma.

She loved to sew for children and grandchildren. Her home always welcomes everyone. She loved her church. She did the laundry for the alter and took great pride doing it. She loved to dance and enjoyed listening to her Mexican music with dad. Their marriage had its ups and downs, but they had the love of family and friends. She will be greatly missed. Our memories will help us heal, but our hearts will always have that ache in it for our loss. But she told us not to cry but to throw a party and celebrate her life. She also said no one was to wear black. She said she had a full life with family friends. So celebrate her life and know she loved us all.
