“*Ann, Mama Ann, my mentor Ann, my sister Ann, my friend Ann, I miss you so much, but I am so very glad that you are with the LORD. Your legacy will live in me and my family. Your smiles with Godly love are within me. Your words that you shared with me and my family are in us. Those are from our DADDY. I think about you, John, and all others whom I want to be with up there in HEAVEN at this time of the Christmas season on earth. For Ann's family, I would like to say, “Oh how much she loved all of you.” I am very sorry for your loss, but she is with GOD. My family and I are praying for all of you.*

“*Ann was such a dear, sweet angel to others around her. Ann thought of others around her and brought joy to others through her smile and her beautiful spirit. She stayed busy and helped others. She will truly be missed here on earth, but I know she was received with joy with Father above!*
