“ Aunt Annie was the sweetest lady. She reminded me so much of my Mother (Mary Stonkey), her sister. Couldn't believe how they acted alike and used the same kind of hand gestures. My Mother and Father were married on Annie's birthday. And I was named after Annie. I am saddened that she is no longer with us. But I am happy to call her family and my Aunt. It was great that I got to visit her some years back. Love and prayers to all the family. Cousin, Anna Marie Stonkey (Carter) Waterford WI 53185

“ *Hearing the passing of my aunt broke my heart! Even though I haven't seen Aunt Annie in many years, it still broke my heart & brought back memories of when my parents & I did visit when I was very young. Looking at her picture reminds me how much she looked like my mother (Mary). My heart goes out to Judy, Nora, Sharon, & Betsy. May God comfort you all & know family is thinking of you & holding you all close to our hearts!*
With complete love,

“ To Judy, Nora, Sharon and Betsy - my heart goes out to each one of you at this time. What a flood of memories I had when I read of your mother's passing. It has been a lot of years ago, but you were all a significant part of our lives back in the day. I am going to try to be at the memorial on Saturday but if I don't see you there, please know that I am praying for each one of you. May the Lord put His arms around you and comfort you.

“ *I've always admired Annie. The first time I really got to know her was in the early 60's when my father was transferred overseas and we stayed with your family for 3 months. I credit her with starting my love for cats....she had about 30 of them on the farm and she'd let me feed them the table scraps after dinner! I remember having ALOT of fun.*

Years later, I'd stop in Moses Lake to visit. She'd show me the new afghan she was making for a new family member and we'd go into the back yard & talk about plants. I'm sad we won't be able to visit again. She was a kind-hearted lady and I will miss her.
