“ I am truly sorry for the loss of your loved one. I know that we lost contact with one another but my heart goes out to her husband and children. I find peace in the fact that she can be with her sister in heaven. God Bless.

“ Ivan and family, I was so sorry to read of the loss of Ardith. I remember her so fondly when we were "just youngsters!" Newlyweds . . .having our first children. You, Ivan, and she have always remained in my heart. You know that I lost Gene 15 years ago. It is difficult to lost that person to whom you have committed love, happiness, experiences, and difficulties - but God is good! HE, and only HE, is able to sustain you through those moments that take you beyond emotion. They WILL come, and HE will carry you. HE has carried me for so many years now with HIS love and grace.

Please know that I am praying and thinking of you, your children, and family. The older we get, the more difficult life becomes . . . and the sweeter God's Grace is!

Thinking of you; prayers for you!
