“ I was a friend of Audrey. She helped me in times of need, as well as benefactored me in times of joy. I celebrate her life and would like to offer my condolences to the family. If there is anything I can do to ease your grieving please email me. Audrey was always available to help and she was very big on sharing. Audrey was one of my best friends and my mother, Joan, to. A friend asked me if she was recieved in Heaven. Well I would call her one of few people you will see in St. Peter's choir. Audrey wouldn't just sit down in Heaven she'll be up singing with the angels.###imported-begin##Gary Nichols###imported-end##

“ I was raised a few doors down from where Audrey lived in Othello while working for the Irrigation District. I must say she was one of the sweetest people I had ever met. I remember so much pain in my heart when her son Todd passed since he was like an older brother to me. When I read that Audrey had passed I had mixed emotions, sadness at the loss of a great woman but rejoice because she is now reunited with her son she so dearly missed. May they now rest in peace together! Many prayers to the family during this time and always.##imported-begin##Christina Rodriguez (Collins)##imported-end##

“ Auntie Audrey -
Raising the use of "uff-da" in a sentence to new heights was your hallmark. I have many fond memories of family trips and vacations together. I'm sure your sister Marion will be showing you around in heaven and brewing up a cup of coffee so you can sit at the table and yak. You will be much missed, but live on well in my memory.##imported-begin##Tom James##imported-end##
