

Austin C. Montgomery

May 12, 1995 - July 4, 2015

Austin Clay Montgomery, son of Beau and Monica Montgomery of Moses Lake, went to the arms of Jesus on July 4, 2015. Austin was born May 12, 1995 in Beaufort, South Carolina. He attended Midway, Larson Heights and Peninsula Elementary schools in Moses Lake. Austin lived in Spokane for the past several years where he got the support and education he needed for his disabilities. Most recently, he was a student at Lewis and Clark High School in the A.B.L.E Program. Austin's autism kept him from communicating, but it was clear how much he loved the Muppets. His favorites started with Elmo and progressed to Kermit the Frog. He wore Kermit hats, shoes and shirts every day. People knew him by his Kermit look, which made people smile. Some of his favorite activities were taking drives, solving math problems, "singing" with hip-hop music and stocking shelves at Rite Aid. However, most of all he loved watching Muppet movies. Kermit the Frog and Fraggle Rock were his favorites. Austin's body and mind interfered with happiness on many occasions, but his laugh was infectious. He touched the lives of many teachers, caregivers and therapists who had the pleasure of trying to help him. His family visited him frequently and never gave up on helping him live a happier life too. He is survived by his parents Beau and Monica Montgomery and siblings Marshall, Ridge, Todd, Evelyn and Natalie. He is also survived by grandparents Vernon and Annabelle Scriven of Moses Lake and Robyn Montgomery of Mt. Vernon, WA. He has many aunts, uncles and cousins who loved him too. He was preceded in death and welcomed into heaven by his

sister Annie Jane Montgomery and grandpa Monty Montgomery. Celebration of his life will be on Friday, July 10, 2015 at 2 p.m. at Grace Harvest Church. Interment will be in Guarding Angels Cemetery. Viewing will be from 10 a.m. to 12:45 p.m., Friday, July 10th at Kayser's Chapel. Instead of flowers, donations may be made in Austin's name to the Isaac Foundation, which helps families of children with autism. Their address is P.O. Box 19202, Spokane, WA 99219

“ *Mr. Austin, loved your shy smile you would give me in the hallways at Lewis and Clark. How known you are for Kermit the Frog hat and shirts. I will also remember how you loved to come into my room and sneak over to the couch for perhaps a just a little nap! My peace be with you, you will forever be remembered in the halls of LCHS. Thank you for letting us be a part of your life.*

His smile and attitude never ceased to put a smile on my face. He was such a joy! Heaven got another angel. He will forever missed. May God's peace and understanding comfort your family and all who loved and held Austin dear. Austin touched my life as he did so many. So deeply saddened...

“ *I worked with Austin when he was in 7th and 8th grade. He was a great kid. He always had a smile for us. I could get him to say a few words here and there. I worked really hard at getting him to tickle my hand and after 2 years, he finally did. He will be missed. God is lucky to have him now. RIP Austin.*

“ *Monica and family, I am very sorry for your loss. I had the privilege of working with Austin for the past 9 months, and I will miss him very much. As hard as this is to accept, we must all keep in mind that Austin is in a better place, and he will never have to experience pain again. I'm glad we will have memories of such a great young man.*

“ Dear Beau, Monica and family,
I am so sorry to hear of Austin's passing. My heart aches for all of you. Austin was so kind and full of love for all he cared about in his world. Thank you for letting me be a part of that world. I loved spending time with Austin and your family during Austin's earlier years. Austin was very blessed to have such a wonderful family who always did all you could to help Austin grow and experience the most out of life as possible. All of you added so much pleasure and gratefulness to my life then which I hope will continue. I will miss Austin deeply and regret not keeping in touch over the years. I know that Austin has found happiness with God, his sister and grandfather in heaven; a peace he has never experienced before. Thank you for letting me be a part of Austin's and your family's life which I hope to be a part of for years to come.

“ Dear sweet Austin, May peace be with you. I have thought about you so many times throughout the years. I loved your winning smile and the time that I got to be with you. You taught me so much. I think of you when I blow bubbles for other children. Ron thinks about you when we are out in the yard where he followed the path of clothes and found you. You smiled and went with Ron and got dressed.

Monica and Beau we are praying for all of you. May God give you all the peace that only he can give.

It was always a joy to walk into the classroom and see Austin's beautiful smile, and to hear his joyous laugh. He will be missed tremendously. There are not enough words to describe how much I enjoyed working with Austin. I am so sorry for your loss and may Heavenly Father be a great comfort to your family at this time of grief.
