Born April 5th 1934 in Marsing Idaho to parents Bessie Tipton Larsen and James Larsen.

She has surviving siblings William James and Bette Mae. She was very close to her Grandmother Annie. She wore high top shoes that laced up and her hair was very long down the length of her back but she wore it tied up in a bun. She too was famous for her sugar cookies. Barb was also very close to her Dad and considered herself a tomboy. Her father taught how to through a ball, hunt and fish. After Barb graduated from High school she went to work at the ION grocery store and played ball after work. She was a good athlete and got a college scholarship but still could not afford tuition. She won a contest at the movie theater to help her through school. She met Harold (Pete) Sircin during the school years. After he returned from the service they were married in 1955. They shared a love of wood working together and created many holiday decorations that Pete would cut out with a scroll saw and Barb would

paint. The family business started out with cattle ranching and then eventually to farming. The family farm is still an active viable business today. In her later years Barb grew wonderful roses in her yard. She has over 100 varieties and was on the Moses Lake garden tour a few years ago.

“ Barbara was kind enough to give me a tour of her home on Garden Drive about 8 years ago, I grew up in her home , my father built it in 1955 when I was about 8 and lived there until Boeing Co. closed and my family moved on in 1963. I have always considered it home and was so fortunate to see it again from the inside with Barbara. She gave me my boyhood memories again.###imported-begin##Gordon Knutson###imported-end##

“ I met Barb about 11 years ago when Sandy brought me home to meet the family. My fondest memory is the first Christmas I got to spend with the family here in Moses Lake. She loved Christmas and it truly was a family affair. Everywhere you looked there were handcrafted items she and Pete had created. And oh my gosh what a beautiful Christmas tree all done in clear glass ornaments. Then there was the food all prepared from scratch and I never saw a recipe card in her kitchen, this woman cooked from the heart. She opened up her home, her heart and her family to me and I will always be grateful she was part of my life.##imported-begin##Peggy Parker##imported-end##

“ To the Sircin family; We are so sorry to hear about the loss of Barbara. She was a amazing lady, who had tons of energy!! We got to know Pete and Barbara, as they were customers at our farm machinery store! Barbara helped me learn how to play golf...she encouraged me to stick with a 9 hole group, gently saying, I would never keep up with the Ladies 18 hole group. Barbara had a gentle spirit, determnation, and strength, an all to rare combination. The people who were lucky enough to know Barbara, had the privilege of knowing, one special lady. Our thoughts and prayers are with you all. Sincerely, Cathy and Paul Kersey###imported-begin##Cathy & Paul Kersey###imported-end##

“ Thank you everyone for the outpouring of support. Mom was our rock that we could always count on. If we had something on our minds she always could tell. if we had a problem she would always ask if we needed money. she was the first one to be there if you needed something. From the looks of looking at the post everyone thought the same of her. she was famous for her cookies. I used to call her the cookie queen. She will be missed by all. Its kind of a full circle thing, she sat by my bed side when i was born not knowing if i was going to live. I sat by her bed side praying for her, but it was not to stay it was to go on and be at peace. I told her that she could go we would be just fine. She had given us the wings to fly and know is the time to start flying. I miss you but i know your at peace and not struggling to get your breath any more. love you mom###imported-begin###jim sircin (son)###imported-end##

“ I'm sorry for the loss of Barbara. She was one of my favorite nieces, as I was married to her mother Bess's brother Bert. I am the last survivor of that generation and am now 95 yrs. old. Hopefully her family can help carry on and attend the annual Tipton cousin Memorial Day picnic in Caldwell, ID to continue the family tradition of many years ago. “ Very Sad to hear of Barbara's passing. She and I (Jim) were very close as kids, through our teens in the Marsing, ID area. Her mother Bess and my mother Bea were sisters and back then, we enjoyed many family get-to-gethers. (she & I shared a few beers together too!) Was happy to see her at the annual Tipton cousin Memorial Day picnic 2011. God Bless her family at this sad time and know you are in our prayers.##imported-begin##Jim and Rose Moore, Nampa, ID##imported-end##

“ Sad to here of Barb's passing. Was so happy to see her at the Tipton cousin Memorial Day picnic 2011 in Caldwell, ID - as most of us had not seen her since we were teens. Later that year, she attended an AQHA show in Moses Lake where our daughter was showing her horse and they had a nice visit. I always admired Barb for her athletic and musical talents. God Bless her family at this time of sorrow. She will be missed but never forgotten.##imported-begin##Donna (Tipton) and Grant Eason##imported-end##

“ I was so sorry to hear of the loss of a great lady. Neighbors for years and fond memories of snowmobiling down the street and at the sand dunes. Loved her athletic abilities and her gracious hospitality. I still make her sugar cookies often and get compliments everytime. Thank God she shared the recipe with us years ago. Thoughts and prayers to the family, she is in heaven laughing and sharing memories with Pete and my parents.##imported-begin##Tami Munson Wilson##imported-end##

“ I remember Barb from Cenex. She wanted a "deal" on an item and I gave it to her-I was a new hire-she asked the boss if I was going to get in trouble. I'm chuckling about that-she had a tough exterior but was such a sweetheart. I will have fond memories of her. Please, remember her with a smile even if you tear up.##imported-begin##Laura Humphrey##imported-end##

“ I got to know and appreciate Barb as the Mother of her daughter Deborah whom I dated a very long time ago. I got to know and appreciate Barbara as someone I could also call my friend. She was candid and plain spoken yet a very gentle soul. Barbara spent time helping teach me bowling, a Sircin family past time. Barb affectionately called me "John Boy" There is no doubt she has Heaven now organized around sugar cookies to plan the next bowling tournament or golfing outing. I was pleased to have seen Barb last August at son Jim's birthday party. She looked well and pleased to have seen so many of Jim's friends and family. Barb truly was a great lady##imported-begin##John Morris##imported-end##
