“ *May the Lord bless you and comfort everyone who shared in her life. She was a wonderful lady, she always made me laugh and even though I didn't see her as much as I should have I'm glad for the time I did. I will miss her smile and sense of humor most of all. The last couple of years have been a struggle for her and for all of you I now wish her peace and rest with the Lord. To my Madrina I will always love you.*

“ My condolences to all of Bea's family. I enjoyed chatting with Bea on our many trips to Moses Lake and back for dialysis. She was a neat lady. I came to more fully understand my own grandmother after talking with Bea over the year and one-half I transported her to Moses Lake. May God be with each of you in this time of sorrow.
