

## Bernard "Barney" Edmund Treacy

September 30, 1956 - August 25, 2020

Bernard "Barney" Edmund Treacy of Moses Lake, passed away on August 25, 2020 in Quincy, Washington. Barney was born September 30, 1956 on Larson Air Force Base in Moses Lake, WA. Growing up Barney played sports with his twin brother Charles "Chickie" Treacy. They were big into tennis, volleyball and softball. Each brother was talented in their own right but they were a dynamic duo when they played together. The love of volleyball and softball continued for Barney well into his adulthood by playing in adult leagues and coaching his daughter. Barney was also known to play golf in his later years as this was "easier on his knees".

Barney graduated from Moses Lake High School and afterward served in the Army stateside and abroad in Germany. Barney served honorably and earned a Marksmanship badge while in service. Barney is survived by his two children- Lauren and William Treacy and loved spending time with them. He made trips to Seattle and East Wenatchee to visit them and was always on the hunt for the best food, pastries and coffee around. His culinary tastes extended into the kitchen where he was a budding chef trying all types of new recipes. Barney also enjoyed movies and documentaries and was an avid news watcher. He stayed up on current events and was eager to talk with others about what was going on in the world.

Barney worked at various companies including Columbia Colstor and most recently Quincy Fresh Fruit. He had a work ethic unmatched by any, never asked anyone to do something he wouldn't do himself, and brought joy and

humor to his daily interactions. Barney was loved by all who worked with him and will be missed by his many coworkers over the years.

Barney was an open-minded, kind and loyal person who truly cared for and connected with everyone. The ease with which he was able to connect with others and build authentic relationships is rarely seen. Barney was always there to support with whatever someone needed and did not expect thanks or praise. He was also known to share vivid stories of his Army life abroad, playing sports, or all the unique characters he had the experience of working with. Barney's model of what it meant to be a good human will have a mark on everyone who knew him.

On top of his survived children, Barney is also survived by his siblings: Jim, Betty, and Chickie Treacy. There will be a private service followed by an open public viewing on Tuesday, September 1 from 11am to 4:30pm at Kayser's Chapel and Crematory. These extended hours are available to support everyone safely paying their respects during this time. Barney lived a full life, full of rich experiences that was cut too short. The family encourages all who were close and knew Barney Treacy to come at any point during viewing hours to: pay their respects, share memorable stories, and overall celebrate his wonderful life.

“ I didn't know Barney personally. Our fathers worked together at the ML Post Office for many years. My father spoke so highly of the Treacy family, I feel like knew him in some small way. To the surviving family, I'm so sorry for your loss. Especially someone so young. You are in my prayers. Lee Hadley.

“ So many things I want to say. Its hard to put together. Sad that I feel part of my being was lost with him. It was a rewarding time in my life to know him. Always enjoyed playing volleyball with Barney and Chickie. I liked watching Barney spike, because he was ambidextrous. Opposing teams had a hard time telling them apart. Even more so Barney never seemed to know which arm he was going to use to spike the ball. They could never anticipate how to block. I asked him once if he knew ahead of time .He laughed and said he didn't know either. They both could tell good jokes. Sometimes at my expense. Chickie still had a cast on his knee. We were out hitting softballs. And yep he could still hit it farther than me so Barney got a good laugh. When we played in a 3 on 3 tournament. There were a lot of Japanese Agricultural student teams. Chickie asked me if I knew who to serve the ball to. I said No. "He said the one with black hair" Hint they all had black hair. One of there best gifts they shared was making strangers and visitors always feel welcome. He was a great Ambassador. So sorry for the family of your loss.

“ *My sister Terry and I played Softball in Moses Lake throughout Highschool and College. Tracey and Chickie were always there to support the athletes. And they both had such wonderful, funny and kind ways of helping us become better players on the field, They encouraged all of us to work together as a team. God Bless their family. May he rest in peace. Thank you Tracey and Chic for everything. Hugs, Pam Barber Bernard*

“ *We are heart broken for Barney's family and friends as he was an extremely special man. This narrative did a great job of sharing his unique spirit. He was taken far too soon but his legacy lives on in his amazing kids Lauren and William. May your memories of Barney's smile, laugh and love bring you peace and comfort. Steve and Terese Moon*

“ I only knew him a little, one summer. My roommate brought me to Moses Lake for the summer, and she was friends with Barney, Chickie and everyone. Barney was very welcoming and funny. He played good softball too. May his memory comfort all who knew him.

*This news was a hard one to hear. Barney was such an amazing man. Played a lot of softball with he and Chickie watching our team. This man will be missed. Hope he starts a Jack and Jill team and someday chooses me to play on it.*

*I met Barney and Chickie when I started working at Columbia Colstor in Quincy in 1991. I first met Barney who showed me around the facility and later the same day met Chickie who I mistook for Barney and asked him a question. Chickie had a laugh and set me straight. My condolences to Barney's family. He was so proud of you all and spoke so fondly of you. He was a pleasure to work with and will always have a special place in my heart.*
