“ My sympathy to your family in the loss of your sweet mother. Ray and Betty were friends of my parents and going to visit their home in Mae Valley when we were very young kids was such a treat. Betty always was so happy to see us and made us feel so much at home. My memories of her are fond ones. “ Betty and I met in April of this year when we became roommates at SunBridge. I really enjoyed getting to know her, learning about her children, the farm in Mae Valley and the different places she and her husband lived. She had a wonderful sense of humor. Although we were 26 years apart in age, I felt a connection with her. We shared a room for just short of a month- but I will remember her for always.
Betty, I know God welcomed you Home with open arms and Heaven is happy because you are there. God Bless You and keep you.
