“ *Bev, you were one of a kind. Safeway has yet to find someone who can do what you did for them, no one could ever replace you. Your kindness and love was evident in all that you did. You were an angel walking on this earth in disguise as Carol's mom. Heaven needs you Bev, say hi to Andy I know he waits for you there.*

“ So very sorry for the loss of your mom and grandma. Knowing she is in peace probably isn't helpful today but it will be. She most certainly is with God and all who love her. Just sorry that this is hard on you. Godspeed Bev.
