“ *Bev was a wonderful woman and friend. I met her at church in Kenmore and she was one of the women that got me involved with the Senior Lunch Bunch. She always brightened the room she was in and made you feel very special. I've missed her since she moved to Moses Lake but we would talk occasionally by phone and she would always call me on my birthday. She always let me know she loved me and was praying for my husband and I. Love you Bev. I will miss you but know you are in an awesome place with our Lord. My prayers are with her family at this time.*

*Growing up in the 1950's and 1960's my best friends were Larry and Mike Mabe. Mrs. Mabe was like a second Mom to me. I was almost a honorary member of the Mabe clan. Mrs. Mabe was always there when any of us needed her. Back then I remember wondering how she worked full time AND took care of her family and various other kids. I also remember that I liked all of her children. Her and Mr. Mabe had to have been great parents. She was a wonderful lady and I feel honored to have known her. She will be missed.*
