“ I just wanted to say we love you and will miss you so much... I was just thinking of all the times the family would get to gether and have such fun, all the kids playing hide and seek around the boat and car's... and you always saying don't get into the boat or I am going to hook you with the fishing pole and use you for bait.... ha ha and at Easter time you wwould hide the biggest easter egg with a whole bunch of money in it... and it seemed to always be in the big pine tree... we will miss you and keep the times going for the younger kids.... And I wanted to give a huge Thank You to aunt Sue for everything.. we love you so much....##imported-begin##Rachel Rodrighues - Price##imported-end##

“ Bill & I shared 44 years that I would not change. We fished, bowled, gambled, golfed, traveled , & loved. We enjoyed our family time & really missed that traveling. I want to thank all our friends that has really helped us this last 10 years. He hated the cold. I drove the motorhome to Arizona every year for him, & he loved it. I will miss him dearly, but I am so glad that he will not suffer anymore. I will always remember the good times & they were many. ##imported-begin## Deloris Sue Price ##imported-end##

“ My grandpa was set in his ways and could be gruff at times but he
just wanted us to grow up with the right values. Family was
important to him and he never missed a birthday, holiday or any
family get together as I was growing up. I have lots of memories
from that and our fishing trips together. I loved him and will miss
him##imported-begin##Vito J Luppino##imported-end##

“ I have so many memories with my grandpa.
As a family we always got together for birthdays and all the
holidays. My favorite have to be our fishing trips together, there was
one my brother Vito and I will never forget. We were with him at
O'Sullivan in his boat fishing, he always wore a baseball cap but
had taken it off for just a minute and a seagull dropped a gift right on
his bald head. We laughed so hard and he laughed with us. I loved
my grandpa and will miss him##imported-begin##Ron A.
