“ I remember everyday when I would take care of Bob. He would always make sure he knew where I was and always wanted me to put him to bed. He always had a smile on my face as he greeted me with a "hi sweetie" when he saw me. I broke my heart when I heard the news. He is in a much better place now. I always looked forward to seeing you when my day began and ended. I'll miss you honey! Im glad I got to be apart of yours and Dorothy's life and got to meet your beautiful daughters! Rest in peace Bob!
