

Brandy B McDarment

December 5, 2023

Brandy B McDarment passed away late morning on December 5th, 2023, surrounded by her loved ones. The family is eternally grateful for the amazing care she received while at Seattle's Swedish Cherry Hill Hospital.

Brandy was born in California on May 21st to Samuel and M. June Nieto. She was a sibling to 5. Brandy had four children: Daniel Chaparro, Ricardo Reyes, Dina (Ambriz) Smith and Neal Ambriz. She also had 6 grandchildren: Ricardo Reyes, Martha (Reyes) Workman, Angelina Chaparro, Desiree Chaparro, Dominic Ambriz and Gage Ambriz. She was also blessed with 7 great grandchildren in her lifetime. Brandy spent many years living in California and Oregon while her children were growing up. She later settled in Moses Lake (WA) where her daughter and son (Ricardo) lived. Later meeting her longtime partner, Andrew Heston. Brandy enjoyed going on any adventure that had a beautiful drive/scenery, playing the penny and nickel machines at the casinos with Andy, working on her flower beds outside, watching her indoor plants thrive, watching her old western movies cuddled up under a soft blanket with her cat and mostly she enjoyed family BBQs. She also had a love for Native American art and jewelry. Spending time with her family was one of her favorite things to do and something that she taught her children to always cherish. Every year she looked forward to the warmer weather and getaways with those she loved. Being able to be present in the lives of her great grand children who called her Gigi, and her great grandnieces was such a blessing to her. Watching school concerts, sporting events, or just watching them live

their best little lives splashing around in water; she cherished every moment with them. Brandy was loved by all who met her. She had the biggest heart and always did her best to make everyone feel that they had a place to go. She was a great friend to many and will be missed by all. She loved whole heartedly, never was afraid to stand up for what she believed in and always was there when you needed her.

Brandy is preceded in death by her parents, Sam and M June. Her Brothers Tony and Geronimo and Sister Lisa.

Brandy is survived by her 4 children: Daniel (Lisa) Chaparro, Ricardo (Rhonda) Reyes, Dina (Greg) Smith, and Neal Ambriz. Along with her 6 grandchildren, 7 great grandchildren, Sisters Ruby DeAvila and Brenda (Dean) Cherry, many nieces and nephews and longtime partner Andrew Heston.

The family will not be holding a celebration of life at this time. Brandy loved the warm weather so the family will plan something for Spring/Summer 2024. May Brandy's memory live on through her family and friends forever.

“ As a kid I always used to draw... When she would visit she would always encourage me and tell me what I should try or do... Now I'm decent and I owe it to her for her criticism and honesty.. I've actually made some decent money over the years as a tattoo artist... Thank you Aunty for always having my back and the rest of us... I love you and I'll miss you dearly 100
