“ Mom,

I just want to tell you how much I love you and miss you. I wish that there was more I could do for you while you were still alive. I did everything you wanted me to do. I graduated college and I am also raising your two granddaughters to the best of my ability. They send their love to their grandma.

There is not a day that goes by that I do not think about you. I wish you were still here, but in a healthy state. I am glad that your suffering is over and that you can now rest in peace and have peace in your life. I am happy that you are with your maker. Tell dad hi for me and give him a huge hug and kiss for me.

I am a strong woman because of you mom. You gave me the strength to stay with you each and every day in your final days. Please know how much I miss and love you. You are forever in my heart and thoughts. Until we meet again - Moochie moochie mommy (kisses). :) Te quiero mucho.
