

## Bridget "Birdie" Brown

January 16, 1923 - April 22, 2012

Bridget "Birdie" Brown passed away at age 89 on April 22, 2012 in Sacred Heart Hospital in Spokane. She is a long time resident of Moses Lake since 1949. Birdie is survived by her husband Raymond O. Brown, two daughters, Roberta Hansen, Alena Hernandez (Miguel), son Richard Andrews (Cheryl) and one sister, Evelyn Arnold. She leaves behind eleven grandchildren, nine great grandchildren, and five great-great-grandchildren.

Birdie was a mother to many people who were not her biological kin. She enjoyed making warm quilts for every single family member and extended family. To this day there are many adults who still have their baby quilts. You would often find her crocheting, working on her rose bushes and planting flowers she loved. Birdie was well known for her Christmas coffee cakes and so many people wanted to be on the coffee cake Christmas list. One Christmas she made 40 cakes.

Mass of Christian Burial will be held at 9:30 a.m., Thursday, April 26, 2012 at Our Lady of Fatima Catholic Church. Interment will follow at Guarding Angels Cemetery, Moses Lake. Please sign the online guestbook or leave a note for the family at [www.kayserschapel.com](http://www.kayserschapel.com) Arrangements are in care of Kayser's Chapel & Crematory.

Memorial gifts may be made to Humane Society in Moses Lake. Birdie fed every human or stray animal that showed up at her door step. No one left hungry.

“ Dearest Browns and Hansens..... I am deeply touched to think of how nice your mother was to be around. When Morgan and Roberta Hansen introduced me to Birdie she was going in for surgery just the next morning. We sang and prayed and thankfully the Good Lord allowed all of us more time to enjoy our time together. Please remember that the next world of life is just in the next room. Often the veil between the two worlds will be almost transparent and Birdie will be so close. And, of course, we will all meet at Jesus feet one day soon. may He guide our footsteps as we make our way through Earth life. morgan adored your momma and i feel the same way...
