“ I lived around the corner from Penny and we became friends in high school. And I can't remember a time when she wasn't in love with Bruce. And he with her. What a handsome couple. They dated all through high school, got married and had two darling boys. Always together through some very turbulent times—it was the wild 60s. We lived in the fast and furious surf scene of rock and roll, drugs, sex but they were solid. This message is late—I just happened on—but if you see it, I'm sorry for you loss and so happy to see you had so many years and grew such a great family together.
