“ Words can not express the heartbreak so many are feeling over the loss of Bryan. He was a true friend who would give the shirt off his back for someone he cared for. I have so many memories of Bryan, and have been sharing them with anyone who will listen! He was like a brother to me for many years in my early 20's. We had many great times together. He always had the ability to make me laugh, and also loved to attempt to prove me wrong at times! Bryan kept life interesting. I will forever miss the sparkle in his eye, the sound of his laugh, and the feeling of his hugs. I am so grateful that I ran into him a few months ago, and we were able to catch up on life, and I was able to hug him one last time. In Peace may you rest my friend Bryan Jacobs. I will see you again someday.

Praying for peace and comfort for Barb and Ken, and well as all of his close friends! May we all find comfort in our wonderful memories!

“ *Barb and Ken, please accept our deepest sympathies during this very sad time. Adam and I have fond memories of Bryan back when we were childhood neighbors/friends and now. It wasn't too long ago that I spoke briefly with Bryan about those times. He will very much be missed by us.*

“ *I remember fondly the full year of Mr. Miller's algebra class I sat directly between Bryan and Jacob Redwine. Seeing them everyday at school I knew there was never a dull moment! Bryan, like Jacob, was always funny, fun to be around, yet I could talk to him about almost anything. If I ever was having a bad day, I knew Bryan and Jake would cheer me up and actually would look forward to Algebra because I knew it would all be okay. I so miss that I don't have a chance to catch up with either of them. Bryan, I miss you!! :(*

“ Bryan was an SAE friend and brother with my son Joe at WSU. They were in the same pledge class. He came and spent the 2000 summer with our family in Shelton, Wash. We all became very close, he was part of our family. He was a very nice young man and will be missed by everyone that knew him!!!! Many prayers to his Family from Joe, Peg, Joe and Tanya Robertson.

“ Barb: There are not words to express how sad I am at the loss of Brian. He was Dustin's friend, an SAE brother. He was that kid I just instantly liked-you just couldn't help yourself. I have good, happy memories of spending time with 'Jacobs". He made me laugh. I will miss his calls out of the blue. Listening to his golf tales. Pizza at Chico's as we passed through Moses Lake. He was one of the good guys, he had a good heart. I will miss him.
