“ Eddie and Ashley- We love you both so very much. We are so saddened by the circumstances surrounding Cadence's short life. We do not even begin to say we understand- for no one truly can. We do however pray for you daily and you are always in our thoughts. Love you all lots- Aunt Trina, Uncle John, Dustin, Alex- Great Grandma and Grandpa Lewis###imported-begin###Aunt Trina###imported-end##

“ Eddie and Ashley,  
Your little bundle of joy Cadence Myshell Lewis is up in heaven singing and rejoicing. We know that you will miss her until one day you meet her in heaven. She will always have a special place near your heart until that day comes. Remember that she will never face the trials of this world, and with that it makes it easier to let her be with Jesus.  
We will rejoice with you both in the memories of her passing and cry with you in the days that seem so hard to get through. Remember that Jesus knew what His plans were for Cadence from the day of conception. Just the little while that she was in our lives she did bring joy and anticipation to us all. She is so beautiful in our memory and will always have a place next to her Nama and gampa's heart. We love you both eight, nine, ten, so much, and with all our heart.
