“ *I am deeply saddened by the news of Carl's passing, he was a good friend. Carl was always willing to help me and my family when asked. I will miss having Carl over when our family got together during my visits in the Summer. Carl was like family and was always called first when we had graduations, weddings and birthdays. I could always count on him to come over and spend time with our family, visiting and telling his funny stories. I will always remember the pig he prepared for my wedding reception, like he did for so many people. It is hard to believe that Carl is gone, my heart is heavy.*

*I want to offer my deepest condolences to the family and our thoughts are with you in this time of sorrow,*

“ So many good memory's of Carl. Our years in school, FFA trips, playing football together, our team was undefeated our Junior year. He kidnapped Irma on our wedding day. After a tour of Washtucna he did bring her back. And so many more good memory's shared. We have all the family in our thoughts and prayers.

“ I am so sorry for your loss. Carl was a huge part of our Christmas Day celebration in Paha and he will be greatly missed. He was such a kind and caring man. Carl always was genuinly interested in what I was up to and would avidly strike up a conversation whenever I saw him. I will definitely miss him in Christmas' to come.

“ I am so very sorry for your loss. Carl was always so wonderful with my kids and I when we would go to him for fair pigs...very patient as they chose their weaners and pointed out those with more desireable traits to them. Those pigs were always good for a blue ribbon and my daughter even won the open carcass division when she was 7 with a nice gilt! Sharing your sorrow...

“ *Rest in Peace to my great Uncle Carl. I am completely saddened with his death. Yet will always have the memories of time spent at the farm with my brother when we were young. I am thankful for the last visit we had a little over a month ago with uncle Carl, uncle Mick my grandma and my kids.*

“ We were surprised and saddened to read Carl's obituary in the newspaper last night. We spent many a Saturday morning on Road 4 sorting and weighing pigs and sending them off to market with Carl and other local hog people, with our kids and a couple nephews and neighbor boys helping out sometimes, too. We were always appreciative of his "hog pool" location so close to our own farm, so that we could sell our pigs without having to drive them to some far-off destination first. He and Bella did an excellent whole hog bbq for our daughter's wedding reception in 2002; she said it was nice that memorial donations will be directed toward youth in agriculture or animal related endeavors. He worked hard at farming and did well for himself; he will be very much missed in the neighborhood.

“ *I have so many memories of Carl.. My first year showing pigs I cried and I cried because I did not want to sell my gilt, he was kind enough to buy her back for me and reassure me he would use her for breeding, he did until she tried to hurt him after she had her first litter... He explained to me this is why you don't buy pets for breeding, I undersood after that and was okay with her going elsewhere. Every summer I would go help him with his piglets. He taught me so much about raising hogs and even 20 years later he was willing to help my kids also.. He was a great man and I am going to miss him...*
