“ Sending love to the Cardenas family! We share the great loss of the matriarch of the Cardenas family. She always had a warm smile and a feisty personality! I have special memories of growing up just down the road and extended family gatherings. It's hard to imagine Tia Carmen without Tony or Tony without Carmen, they were always a pair. So sad for her loss but know that Gabe and David were there to welcome her to ever after. Love you all! Deb and Dusty Lane and family.

“ We are a part of Tony and Christena's church family. Although we never met Carmen, i can tell from all of these beautifully expressed thoughts that we have been privileged to "know her" through the life of her son-as Tony mirrors so many of the descriptions of his mom. Our thoughts and prayers are with all of the family as you gather to honor a beautiful life well lived.

“ *Dear Cardenas Family, it's hard to put into words how much
Carmen meant to us. For years and years, let's say 35, she worked
very hard to keep the Gabriel Cardenas Benefit Dinner going at
Washington State University. Hundreds of scholarships were given
out to WSU students and Carmen helped raise money and made
afghans to benefit the scholarship fund in honor of her son, Dr.
Gabriel Cardenas. Thank you, Carmen, I will miss you so very much
and there will be a vacant place at the banquet table where you
used to sit with Tony and other family members. My prayers are with
your family who will miss you for sure. You were a beautiful person
inside and out and also very wise and thoughtful. RIP, dear friend.

“ *As I reflect on her amazing life, it strikes me how much I learned
from her. She taught me so much. She had a great sense of humor
and had the gift of storytelling. This is a legacy I will be able to pass
down to my son and daughter. Her memory will continue strong
through everyone who met and loved her. I love you, Buela.*
