“ I want to express my Thoughts & Prayers to Carol Lingg's family for how sorry I am for your loss of your mom. I met Mike & Carol Lingg about 20 yrs ago when I worked at Dairy Queen. They came in often. When I didn't work there anymore I would run into them & was greeted by their big smiles. I was saddened to hear the loss of Mike yrs ago. When I saw Carol was working at Safeway I would always stop & say hi. When she became a checker I always went through her line to see her. She was very sweet & funny. She is with her savior & reunited with her husband. I will miss her beautiful smile & her sense of humor. May God comfort you with his loving embrace, may you sense his presence during this difficult time. You will be in my Prayers & I will always remember your mom.##imported-begin##Debra Greeno##imported-end##

“ I have known the Lingg family for over 20 years. Carol was always the warmest and kindest person - I will always hold a special place with warm memories of Carol, Mike and the kids - Eldon, your mom was so proud of you! She would tell me every time I saw her just how proud she was of you. I will miss her - how wonderful that we know that we'll be together again -- what a special family.

“ When our journey on this Earth comes to an end and a new grand one begins...one can only hope that we leave behind a small peice of ourselves that will make a differnce in this world. Carol did just that for our family. After discover some 13 years ago that my daughter was Deaf, Carol become one of our first mentors and sign language teachers. Not only did we learn sign and Deaf culture from her Park & Rec class, but she also volunteered to teach our entire family once a week. She truly made an impact and positive difference in our life. For that we will always be grateful! My heart is saddened...she will be missed. May your new adventure be grand Carol! Your memory here will live on. Much love to the family! Please know that she really did make a difference in our lives! |"/ Jennifer Estes & family##imported-begin##Jennifer Estes##imported-end##

“ What a joy Carol Lingg has been to me when I shopped at Safeway. I am deaf in one ear and part in the other and it was wonderful to have someone who understood hearing problems. Her bright smiling face was always such a happy experience and she was very efficient and good as a checker. I was so shocked to find out she had passed. I will greatly miss her and every time I go to Safeway, I will think of her. Such a great loss for us all. My deepest sympathies to her family. Most Sincerely, Mary E. Oakes##imported-begin##Mary E. “ To the family of Carol. I am so sorry for the loss of carol. She was a very giving and loving person. What she lacked in abilities to speak she made up for in a gracious and giving heart. She was a sign language teacher to me several times. I can still see her pushing the carts at safeway in the snow and rain when no one else would. She never let her disability keep her down. May the heavens learn a new skil learning to sign in heaven.##imported-begin##sue hodes ##imported-end##
