“ I used to one of many Caroline's caregivers at Columbia Crest. We got along well together. She always hugged me and gave me a smile whenever I helped her.##imported-begin##Janet Ames##imported-end##

“ Caroline was a SWEET lady. I drive for Medstar Cabulance and have transported her many times to her appointments. If I ever walked past her room, and did not stop to give her a hug, she would yell, "Hey you forgot something." I might have forgot to stop a few times, but I will never forget Caroline.##imported-begin##Dale Miller##imported-end##
